Plac Ratuszowy

I love Białystok very much and of course I have my beloved place here. I won't be very original but it is the town centre, exactly. Ratuszowy plac/square/ where all of you have already been and where we have spent a nice time. Do you remember our farewell meeting in "Esperanto"? Unfortunately now during the lockdown all the restaurants, cafes and bars are closed, we can only buy take-away food. By the way, a lot of history here, in every corner. And I am sure all the tourists come here to this lovely centre. Warmest regards to all of you on this MAGIC day: On the 21-st day of the year 2021 of the 21-st century.
